LOCALS BEATEN BY HUNTINGTON PARK, SCORE 28 TO 12

High School's Casaba Tossers Team Loses Chance to Play for State Championship

More than 1000 basketball enthusiasts were present yesterday afternoon at the Franklin high school gymnasium, where Coach Hayhurst's local lightweight casaba entry went down to defeat before the Huntington Park "Midgets" by the one-sided score of 28 to 12, thereby losing all chances of representing southern California in a contest for the state title.

It was the second time within the past few months that these same 130-pounders from Huntington Park have overwhelmed the Glendale lads in a championship contest, the first having been on the football gridiron.

This time there are no alibis to offer, as there were following the football battle, the Suburbanites having displayed their superiority over the locals at almost every stage of the game.

The affair was a battle from beginning to end, with the H. P. basket tossers having a little edge on the batting. Glendale High school's one department of the game in which the Red and Black athletes seemed to excel was that of dribbling, numerous clever and intricate plays being executed through that method.

Plenty of Pep Shown
The game started with both teams displaying an abundance of life and action, and, as a result, the scoring was held down during the first part of the struggle. It was fully five minutes after the blowing of the referee's starting whistle before Vic Colburn made the first score of the game on a double foul. Glendale's narrow lead was short lived, however, as the H. P. performers followed immediately with a field goal, tying the score.

Scoring continued to be conspicuous through its absence during the first half, the score at intermission being 10 to 6 in favor of Huntington Park. Glendale had scored but two field goals and Huntington Park four during the period.

Spickerman Home Is Scene of Surprise

Another of a series of surprise parties which have been cleverly planned this season by a group of congenial friends who designate themselves "The Jolly Twelve" and which have been very happy occasions, in celebration of birthday or wedding anniversaries, took place last night at the home of Mr. and Mrs. C. W. Spickerman of North Kenwood street.

Mrs. Spickerman assisted in planning this party which was ostensibly to be given as a surprise to Mr. and Mrs. C. E. Russell, while Mrs. Russell was deep in the plot to surprise the Spickermans.

Just at the dinner hour a party of ten tiptoed through the back street and entered unannounced by way of the kitchen, carrying various parcels, which, when served, made a delicious hot dinner. The evening was passed with games and a social good time, and all pronounced the occasion one of the best "yet." Those present were Mr. and Mrs. C. E. Russell, Mr. and Mrs. W. A. Maxwell, Mr. and Mrs. E. E. Haw, Mr. and Mrs. B. F. Geiger, Mr. and Mrs. Z. T. Boicourt and Mr. and Mrs. Spickerman.

Need Money? Here's Way to Get It—Maybe

Harry Francy, cashier of the Glendale Savings bank, has it all figured out how to make money on wages.

All a person has to do is contract to work for thirty days, starting at 1 cent a day and doubling his wages each day.

For instance, on the second day the pay would be 2 cents, the third day 4 cents, and so on up. At the end of thirty days it would be in the neighborhood of \$10,000,000. The total would be around \$20,000,000.

And the man who made the contract with would be bankrupt, for only Henry Ford carries a checking account large enough to meet such a payroll demand.

ENTERTAINS HER FRIENDS

Miss Dorothy Howard of 364 West Doran street entertained a few of her friends at her home Saturday night at a surprise party given in honor of Miss Selma Akers. The evening was spent in music, playing bunks, and a taffy pull. The guests included Miss Selma Akers, Miss Phillipine Akers, Miss Vesta Morrow, Dale Wood, Edgar Shockley, Harold Schively, Albert Hewitt and the hostess, Dorothy Howard.

The Delphian society, which numbers about eighteen members from Glendale, will meet Thursday at the Ebell club in Los Angeles.

Keep Off the Air! Cloud Cop May Be Required Here Soon

Will it come to policing the air? From the complaints received regarding amateur radio operators disturbing the peace of others who enjoy concerts, news reports, speeches, etc., there is every reason to believe that the police soon will wear wrist, detectographs.

Then, when some disorderly boy "breaks in" on the etherical program with a splatter of dots and dashes that mean nothing to the hundreds of hearers, the patrolman on the beat will rush in upon the sender and demand him to the station may pronto.

Here is a communication that well describes the condition existing today and it is to be hoped that every person who owns a sending set will take due notice and pass the word along:

"Editor The Evening News—It is unfortunate that there are in Glendale a number of amateur wireless operators who, from either carelessness or selfishness, interfere greatly with the pleasure of the constantly increasing number of those who greatly enjoy listening to the concerts, lectures, news items, and so forth, that are daily sent out by the large sending stations in Los Angeles between the hours of 4 to 5 and 8 to 9 p. m. Perhaps in the middle of Caruso's wonderful rendition of some fine opera or the lovely tones of Galli Curci there bursts in the harsh "dots and dashes" of a local amateur, utterly destroying the enjoyment of the listener.

"It is computed that there are now in this country over 700,000 receiving sets in daily use and that one family in six in Pittsburgh, Pa., is thus equipped. Makers of apparatus are unable to keep up with the steadily increasing demands. The government orders apparatus and commercial sending stations to "keep off the air" at certain hours. May we not ask our amateurs to cease sending at the hours mentioned in courtesy to those who enjoy "listening in?"

"T. W. PRESTON,
"330 North Jackson Street."

The guests included Miss Eileen Truitt, Miss Mildred Thompson, Miss Alice Farrow, Miss Josephine Farnham, Miss Elaine Buttrud, Miss Mary Manbert, Miss Ethel Oliver, Miss Selma Carver, Miss Dorothy Watson, Miss Rebecca Brant, Lowry Truitt, Ralph Hutchinson, George Jansen, Allen Pollock, David Griffith, Paul Holland, Paul Hutchinson, Albert Bryant, Dan Ledbetter and Ben Klopp of Buffalo, N. Tuesday Clubhouse Plans Approved; to Cost About \$65,000

At a meeting of the members of the building committee of the Tuesday Afternoon Club, and Alfred Priest, architect, which was held this morning at the home of the president, Mrs. C. E. Hutchinson, 246 North Orange street, plans for the new clubhouse to be built at Lexington Drive and Central avenue, calling for an expenditure of \$65,000, were accepted and were presented for approval and endorsement of the club members at the regular meeting of that organization this afternoon.

The exterior of the building will be of a stucco finish, which, when the grounds are beautified with lawns and shrubbery, will make a most attractive clubhouse. The plans also call for a kitchen, equipped with all modern conveniences and built-in features, a reception hall, ladies' parlor, tea room, banquet room palm room and an apartment for the caretaker of the building.

It is hoped that sketches of the clubhouse may be completed in time for exhibition at the Los Angeles District Federation of Women's Clubs convention to be held the latter part of the month in Santa Monica.

Fred Deal, manager of the Pacific Telephone & Telegraph company here, reviewed the growth of business of the local district in a speech before the Glendale Merchants' Credit association yesterday afternoon. Using the comparative figures which have appeared in The Glendale Evening News from time to time, he painted a picture of the progress and prosperity of this vicinity.

Burbank only outstrips Glendale in the number of installations, according to Mr. Deal, and that change is managed by him. It formerly was a part of the Glendale exchange. Van Nuys also scores high in the percentage of growth. It was a wonderful story well told by a man who has an intimate understanding of Glendale's growth, past, present and future.

The merchants discussed the success of Dollar Day and decided that greater united efforts would be placed behind the movement the next time. Furniture men and other dealers in articles selling for much more than a dollar were shown whereby they could co-operate. All told, there were 43 people present and a hearty discussion of the local credit situation was held.

Call Final Tryouts for Music Memory Tests on Saturday

At the meeting at the high school yesterday morning of the music memory contest committee, arrangements were made for the final tryouts to be held Saturday morning at the T. D. & L. theatre. The children and others who wish to take part in the contest have been requested to be at the theatre at 9:30 o'clock in order that the concert may start promptly at 10 o'clock.

Of the forty compositions which have been played during the several weeks of the contest, twelve selections will be chosen by the committee, on which the test will be based. These will all be played Saturday morning on the pipe organ by Wesley Kuhnle. The test will be on the name of composition, name of composer, spelling and capitalization, and will be on ten of the twelve selections. Already over \$50 in cash and other prizes have been donated and D. Ripley Jackson, chairman of the prize committee, is soliciting further prizes. The names of the judges will be announced in a day or two by Mrs. H. E. Bartlett, chairman of that committee.

Children participating in the final tryouts have been asked to bring pencils and erasers. The prizes will be awarded to the winners at the regular meeting of the Glendale Music Club on April 7. The names of the winners will be announced in a few days after the tryouts, as it will take some time for the judges to complete the examination of the answers submitted by the various contestants.

Committee members present at yesterday's meeting included Mrs. Dora Gibson, general chairman; Miss M. Breneman, vice chairman; Mrs. Mattison B. Jones, president of the Glendale Music Club, which is sponsoring this contest, and also chairman of the extension department of the State Federation of Music Clubs; Richardson D. White, superintendent of grammar schools; Mrs. H. E. Bartlett, chairman of judges; and D. Ripley Jackson, chairman of prizes. Mrs. Gibson, Miss Breneman and Mr. White were very enthusiastic over the great interest being shown by the school pupils in this music memory contest.

C. OF C. GETS TWO TROPHIES FROM ROSE TOURNEY

Rejected Second Prize Comes and Also Special Cup of Much Greater Value

More than two months have elapsed since the Tournament of Roses at Pasadena New Year's day. The Glendale Chamber of Commerce rejected second prize in its division and today at the directors meeting a surprise was sprung.

Two beautiful trophy cups, one representing the judges' decision, and the other, a special award of greater value, were awaiting inspection.

Evidently the Tournament association felt that such was due Glendale in view of incontrovertible, unanswerable facts regarding Portland's prize-winning float. The local people feel justified, in view of events, to have taken their stand.

The Chamber board considered the matter deeply and a reply will be made in which the special cup will be accepted. As far as second prize is concerned the matter will be dropped.

Letter From Association

Following is the text of the letter of transmittal accompanying the loving cups:

"Y. M. Hollister, President,
"Glendale Chamber of Commerce,
"Glendale, California.

"Dear Sir: We are sending you by express two trophies awarded the City of Glendale for the splendid entry made in the New Year's day parade, one being a special trophy through which we wish to express our appreciation for your unique design and the splendid way in which the idea was carried out. The other is the second prize which was awarded you and we trust you will accept both of these in the spirit in which they are sent, and will reconsider your decision in regard to not accepting the second prize.

"We fully appreciate the consistent support we have had from Glendale.

avenue bought centrally located prop-
erty to the amount of \$23,000 and
won the first \$25 order on any store
in Glendale. Mr. and Mrs. John Rob-
inson purchased a home at 343 Pio-
neer Drive for \$65,000 and won the
second order.

"The activity shown so far will
surely increase," stated Mr. Kelly.
"Glendale undoubtedly will go over
the top during Own-Your-Own-Home
Week. The many exclusive listings
held by this firm, which are real
money making bargains, will surely
aid this community in securing a
number of new residents, helping
Glendale to maintain her lead as
"The Fastest Growing City in
America."

SEARCHES FOR ADVENTURE

BOSTON, Mass., March 21.—Fred-
erick N. Whiteside, 22-year-old Har-
vard student of Portland, Ore., was
arrested here, charged with carry-
ing a concealed weapon. When the
young man was arrested in East Bos-
ton he was in the garb of a tramp.
A pair of brass knuckles and a revol-
ver were found on his person, accord-
ing to the police. Whiteside said he
frequently attired himself in ragged
clothes and wandered about the city
at night, in quest of adventure.

shaved today—this being the last

SEED GRAIN FOR FARMERS

WASHINGTON, D. C., March 21.—
The house has passed a bill appropri-
ating \$1,500,000 for the purchase of
seed grain to aid farmers in drought-
stricken regions of the northwest. A
previous bill had provided only one
million, and this is designed to take
its place. It already has passed the
senate and now goes to the president
for his signature.

MRS. M. L. TIGHT IN THREE MOVES TO GET BACK HOME

Realty Office Changes Location
Trio of Times; Now at Start,
Same Phone Number

Three times and out! That's an
old saying.

Three moves and stop! That's the
way Mrs. M. L. Tight puts it.

In a month's time her real estate
office has moved three times and
now it is back where it has been for
years—at 612 East Broadway. Yep,
she even has the same old telephone
number, the same genial smile, the
same complete listings of Glendale
property.

How come the moves—well, that
is past history. The fact was that
Mrs. Tight sold herself out of office
and elected to get back to the same
old stand as soon as possible. So
there she is.

Has Company, Too
In addition to that the mayor,
Spencer Robinson, who sold his of-
fice building, has taken part of the
space at 612 East Broadway, while
the Low Building Company followed
suit.

Mrs. May E. Myton is another
widely known personage who will be
found at the same address. She is
notary public and deputy registrar
of voters.

There, you have the whole story.

BOY, 15, COMMITS SUICIDE

SPOKANE, Wash., March 21.—
Thornly Runyon, aged 15, a runaway
from the Chehalis, Washington,
school, committed suicide at the
juvenile detention room. The boy,
who was being held for return to
Chehalis, twisted a sheet into an im-
provised rope and hanged himself.

WOMAN IS ELECTROCUTED

DENVER, Colo., March 21.—Mrs.
Elizabeth Pitton, 68, was found dead
in bed, the victim, it is believed, of
electrocution. An electric house
garment was found on the body and
the coroner expressed the belief that
an overcharge of current had caused
death.

EVERYBODY HAPPY! PARENTS OF HI-Y SUPPLIES ARRIVE AT POSTOFFICE

Three Huge Boxes Containing Material for Mailmen Now Being 'Put on Roof'

Remember the good old days when you used to help pack the church barrel with trinkets for the orphans of Beluchistan, or some other out-of-the-way place?

And you thought of what a wonderful time they had as each and every one received a gift? Some Christmas tree!

Well, the employees at the Glendale postoffice this morning had a similar sensation. Three huge boxes (barrels having gone out of style in 1919), containing 700 pounds of supplies for a first-class office were received.

Captain D. Ripley Jackson, the postmaster, has been expecting the cargo for the last three days, talking about it, dreaming about it and now he has got it. George Hallett, the assistant postmaster, was just like a squirrel gambolling around a new nut tree.

This One's on Roof
"Now we can quit borrowing from Los Angeles," said the skipper. "And we can start our roof garden postoffice," added his assistant. The fact is, that the supplies will have to be stored on the roof, or tied to the ceiling, for they have in use every available inch of floor space—and then some—in the old branch office which houses the mighty independent institution.

By manipulating the shifts and keeping the carriers going out of the office in rotation, it is possible for the employees to labor without stumbling over their fellow workmen more than three times a minute.

Duck Your Head, Visitor
It is dangerous, however, for an official visitor to pass through the workroom as they are apt to be clouted on the side of the head by a box of binos or other parcel post articles in the process of "throwing mail."

"Where will our new postoffice be—and when do we get it?" is the plaintive note heard on every side. And as the growth of the city demands additional carriers, clerks, etc., there is a big problem as to where they can work. "The roof" is Hallett's only suggestion.

In the meantime the latter is out checking the carriers' districts with a view of making the delivery service more efficient.

Announcement is made in today's issue of The Evening News of the change of ownership of the Glendale House Furnishing company, 117 South Brand boulevard. H. F. Beauchamp, who has conducted the store for several years, has sold his interest to J. F. and J. J. Hunt.

The new owners have the utmost faith in Glendale. J. F. Hunt having been assistant manager of Chaffee's in Glendale for the past year, and J. J. Hunt having been connected with the First National Bank and a resident in this city for two years. While not in the furniture business prior to the present time in Glendale, both members of the new firm had been engaged in the furniture business in the middle west. The store will be conducted in the future under the name of Hunt & Hunt Furniture Co.

Lads Cook, Serve and Also Entertain for 'Dad' and 'Ma' Last Night

Approximately forty people were gathered around the banquet table at the social hall of the First Presbyterian church last night, where the members of Group No. 2, Glendale Hi-Y society, entertained their fathers and mothers at their first "parents' dinner."

The affair was particularly novel, due to the fact that all of the work connected with the serving of the "feed," including cooking, serving and washing dishes—was done by the boys.

Following the banquet several brief talks were given by various members, after which the evening was enjoyed in playing a number of old-fashioned games.

Cecil Wilson acted as toastmaster for the occasion. Mrs. W. J. Stofft made a short speech, in which she extended thanks and appreciation to the boys for their "venture."

Those Taking Part

Those who took part in the gay affair were: Mr. and Mrs. Rex Kelly, Mr. and Mrs. G. Edwin Murphy, Mrs. C. D. Thom, Mr. and Mrs. A. F. Wilson, Mr. and Mrs. J. N. McGillis, Mr. and Mrs. J. W. Beggs, Mrs. J. E. Jeter, Mr. and Mrs. L. L. Payne, Mrs. W. J. Stofft, Mrs. W. Hand, Rev. and Mrs. W. E. Edmonds, Mr. and Mrs. John Melver, Mr. and Mrs. J. A. Wright, Livingston Thom, Cecil Wilson, Newton McGillis, Chester Green, Laughman Jeter, Lee Payne, Fred Stofft, Fred Hand, Paul Edmonds, Neil Melver and Jack Wright.

THAT'S ALL

Something of a Thrill
Blessing to the City
Solving Traffic Problems
Million Homes Building

By Gil A. Cowan

Surely something like a thrill must be enjoyed by the resident of Glendale speeding westward on the Union Pacific lines to pick up a copy of The Arrowhead magazine and read of his home town—the fastest growing city in America. The first two paragraphs read: "Glendale is happily situated in being so close to the center of a great city that all of the advantages of the latter may readily be secured. The ride is a delightful one through the hills and over the Los Angeles river with a panorama of high mountains to the north and east and the sweep of valley between. Glendale lies along the slopes of the Verdugo mountains which are a prelude of the Sierras beyond. "Glendale is fortunate as to its physical characteristics. It stands at the gateway of the favored and fertile San Fernando valley. At the north are majestic mountains which beckon and sylvan canyons which allure, while the mild Pacific is twenty miles away to the westward with its cooling breezes and pleasure beaches. At our southern threshold is California's southern metropolis, Los Angeles, where culture and business sagacity have joined hands with nature in producing one of the world's most delightful cities. Conditions of soil and climate assure abundant returns."

The only paid advertisement from Glendale in that magazine, by the way, is provided by The Glendale Sanitarium. In itself there is a lesson, a comment, a thought that is worthy of repetition. So here are two telling lines: "The Glendale Sanitarium: an institution where you are taught the decalogue of right living." "A place where you learn how to add years to your life and life to your years."

Beyond a reasonable doubt, this institution has been one of Glendale's greatest assets, if not the greatest, in bringing people of fame and wealth back to health and blessing the city which it so nobly serves.

Months ago, long before a fare fight loomed, The Glendale Evening News reported the plans for a subway from First street to the Hill street station in Los Angeles to care for the traffic over the Glendale and Hollywood lines of the Pacific Electric.

Indeed, it is a great idea and there should be no delay in construction. Swifter service is demanded. The elimination of the interurban trains from Sixth and Hill streets is necessary to solve the complex traffic situation in the city.

Did you read the good news contained in an International Leased wire dispatch yesterday? A million homes will be built in the United States in 1922, according to the department of commerce.

"Own Your Own Home" week is quite a timely topic, California, in general, and Glendale, in particular, should do its share—and it will. No place in the country is building so active as here.

Garage men report business plentiful these days from auto crashes. Now what's the use of commenting on that subject when it seemingly does no good?

Business-Getting Power of the Evening News
Exclusively a Glendale Paper
The Glendale Evening News is printed and circulated on its own merits. It has stood alone as a local daily newspaper for nine years and is showing a steady growth, both in circulation and advertising patronage. Advertisers value it because it is not a supplement or insert to any other paper and because it is exclusively a Glendale paper.

Best Publicity Medium In Glendale
The business organization of The Evening News is first, last and all the time a Glendale institution, and as such guarantees advertisers the best publicity medium available in the Glendale territory.

3,000 Paid-in-Advance Subscribers

Its circulation of 3,000 represents paid-in-advance subscribers who voluntarily order the paper because of its merits, and not on account of procuring an outside publication of which the local paper is merely a supplement to an organ, whose camouflaged purposes, when carried out, will be destructive to the best interests of Glendale merchants.

Our circulation books are open to your inspection. Our merchandising service is at your command.

Booth Tarkington's Story at T. D. & L.

Every detail of Booth Tarkington's laughable characterization of American boyhood has been faithfully retained for the screen in Marshall Neilan's production "Penrod," the First National attraction which will open at the T. D. & L. theatre today.

The cast, embodying as it does all the episodes of the stories, is a large one composed mostly of juveniles who are exceptionally adept at their art.

In addition to Freckles Barry who stars in the title role, there will be Herman and Verman, the two darlings who featured in the stories, Rupe Collins, the town's tough guy, George Bassett, Maurice Levy and Penrod's sister and her suitor.

The role of the sister is played by Marjorie Daw who appeared in "The River's End" and "Bob Hampton of Placer." Among the adult actors who are well known to film followers are Tully Marshall, Claire McDowell, Mayme Kelso and Eugenie Besserer.

Ralph Allan says: "I expect all of Glendale will want to see 'Penrod.' Really—it is one of the year's biggest and best pictures. You can tell them all for me to come and bring the 'kids.' Remember Jackie Coogan in 'My Boy?' Well, 'Penrod' is another 'My Boy.'"

Shakespeare Section Reports \$100 Cleared

The members of the Shakespeare section of the Tuesday Afternoon club, of which Mrs. A. H. Montgomery is curator, are very much gratified over the results of the St. Patrick's card party and dance which was given by them on Friday night, March 17, and reports for which show that more than \$100 was cleared. They have decided to repeat the event in the nature of a "sport dance" and card party in the new Odd Fellows' hall at Orange and Broadway the evening of Friday, April 21.

DISPLAY EASTER RABBITS

A careful of Easter rabbits are now on display in the show window of the C. L. Brenkman Electric and Toy Store at 1524 South San Fernando road. Mrs. Brenkman says they are genuine "checkers," but so far they haven't laid any Easter eggs.

VISIT C. D. DANFORTH HOME

Mr. and Mrs. B. A. Humes of Los Angeles and Mr. and Mrs. Wayne Hyatt and son, Dwight, of Van Nuys, were visitors Sunday at 1517 South San Fernando road with C. D. Danforth and family.

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat if You Feel Back-
ache or Have Bladder Trouble

Meat forms uric acid which, excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is warm you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Advertisement.

Bent Over With Rheumatism Pains

Stop drugging and get quick relief with a bottle of old, reliable St. Jacobs Oil

St. Jacobs Oil stops any pain and rheumatism is pain only.

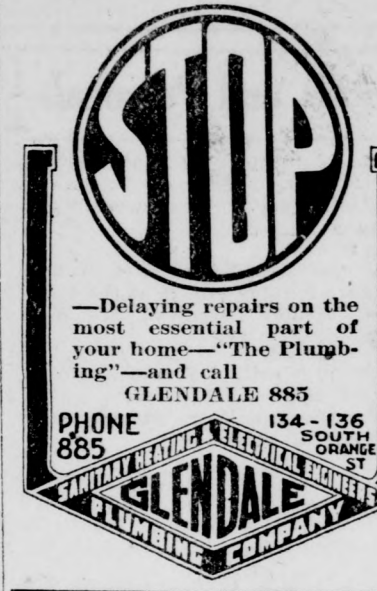

Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating St. Jacobs Oil right into your sore, stiff, aching joints and relief comes instantly. St. Jacobs Oil is a harmless rheumatism liniment which never disappoints and can not burn the skin.

Limber up! Quit complaining. Get a small trial bottle of old, honest St. Jacobs Oil at any drug store, and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief awaits you. St. Jacobs Oil is just as good for sciatica, neuralgia, lumbago, backache, sprains.—Adv.

Common Sense

Rockefeller can take a worthless slip of paper, write his name on it, and make it worth one million dollars.—THAT'S CAPITAL.

Uncle Sam can take an ounce and a quarter of gold, stamp an eagle on it and make it worth \$20.00.—THAT'S MONEY.

An expert mechanic can take a bar of steel, make fine watch springs out of it worth \$300.—THAT'S SKILL.

My wife can cook and bake all day over a hot stove to get Sunday dinner and make herself sick and tired out.—THAT'S DAM FOOLISHNESS.

You can go over to Laura's, at 1519 South San Fernando Road, and get the best meal to be had and save time, worry and money.—THAT'S COMMON SENSE.

Southern Gateway to Glendale Weekly Business Review

Elsa-Jane, Realtors,
Have Large Listings

Subdividers seeking vacant property will do well to consult the Elsa-Jane Realty Company at 1503 South Brand boulevard—their orange and blue building which is one of the nearest places of its kind in the city. They report that they have a number of tracts located in Glendale which promise wonderful activity if taken in tow by the right kind of a sales force.

The Elsa-Jane office specializes in general real estate and insurance. Both of these women are experienced saleswomen and they merit the consideration of property owners and buyers alike.

George Karr Selling
Tailor-Made Shirts

With George Karr back from the Rotary conference at San Francisco, there is going to be an immediate increase in the production of the Baldwin Shirt factory in the New Gateway Market building, 1725 South Brand boulevard.

George goes out and sells shirts just as though orders grew on trees. He comes back with a bucketfull of measurements and the sewing machines sing a satisfied tune. In fact, few people can resist the idea of a not too long, the neck band doesn't chafe, the tail is just long enough. Which is enough of a tale about Baldwin shirts. Buy 'em if you get the opportunity.

Spring Hats Shown
At B. & R. Millinery

New spring hats are now being displayed at the B. & R. Millinery, 1517 South San Fernando road, and the prices are said to be ridiculously low. This is due to the low rent and the fact that both Ella M. Baldwin and Cora Richardson are experienced milliners, doing their own trimming and buying materials at a saving. They are former residents of Iowa and will be glad to meet the many people here from the vicinity of Rolfe.

In addition to their millinery business, they conduct a woman's exchange and Mrs. Richardson is engaged in the real estate and oil land selling business. You will be pleased to make the acquaintance of these good people who will aid the women of Glendale in making their dollars go the farthest.

Triangle Garage Has
Ever Ready Battery

Another battery service for Southern Glendale.

The Triangle Garage at 1526 South San Fernando road has secured the local agency for the Ever Ready and Columbia batteries.

George L. McLean, proprietor of this establishment has had very satisfactory service from an Ever Ready battery which has been used off and on in a Pope-Hartford for the past five years.

The Triangle Garage will not only sell batteries and their parts but will rent them and keep them in order as well.

ATTRACTED BY THE NEWS

The Glendale Evening News is doing its part to attract newcomers to Glendale, according to Gabe W. Cox, of the South Glendale Dry Goods store, 1410 South San Fernando road. He has received a letter from C. E. Bingham, leading baker of Glenwood Springs thanking him for a copy of this paper.

Speaking about Glendale, he remarks: "It must be some town from the way the writer gives it. I wish you would keep your eyes open and see if you could buy me a lot suitable for a bakery as I have my place up for sale, and if I sell I am coming west."

AT ED GABEL RESIDENCE

Mr. and Mrs. R. Denboer are new arrivals in Glendale and expect to make this their permanent home. They are stopping temporarily with Mr. and Mrs. Ed Gabel at 1412 1/2 A South San Fernando road, who were their neighbors in Lansing, Michigan. Mr. Denboer is a baker by trade. Sunday a motor "voyage" to Venice and through the Topanga canyon was enjoyed by all.

GOOD FOR BAKER TRADE?

This balmy weather ought to be good for the bakery business on account of so many young couples going on picnics, according to Mrs. R. R. McBurnie of the South Glendale Bakery, 1408 South San Fernando road.

NOW IS TIME TO PLANT

"Now is the time to plant your garden," exclaimed Jesse Flower of the Wilson Bell Hardware Company, 1734 South San Fernando road, yesterday afternoon, commenting upon the fine supply of garden seeds. "Owing to the cold weather this winter it looks like a very good season. We have had to send in several orders on seeds already."

PLEASURE TRAFFIC GROWS

There was more pleasure traffic on San Fernando road last Sunday than any day this spring, according to H. F. Hall of the South Glendale Motor Service, 1416 South San Fernando road. He believes the fine weather was the reason.

SAY BUSINESS EXCELLENT

Excellent business last Saturday at the Gateway Market is reported both by C. L. Caswell, manager of the meat department, and George L. Taylor, manager of the fruit stand. They agree that last week was the best business week since the establishment opened a few months ago.

SAFETY FIRST GETS RESULT

Fewer children are run over by automobiles nowadays on account of better instruction in "safety first" at school, according to the opinion of B. G. Jackson, proprietor of the garage at 1600 South San Fernando road.

TRADE IS GROWING BETTER

"We are well pleased with business," remarked Walter Buttery of the Gateway Lunch Stand yesterday afternoon. "We are doing very nicely. Business is getting better every day. The reason? Good food!"

Mary of Lamb Fame
Has Glendale Rivals

Mary, the little girl who was owned by a lamb, now has two rivals in Southern Glendale. They are little Margaret and Wesley Stull, small son and daughter of H. E. Stull of 1420 S. San Fernando road. They have acquired two white baby goats about the size of cats. Like young calves, they are all legs. Mr. Stull says the family now consists of two children and two "kids." So far the "goats" haven't reported at Ceritos school. But there's a reason—they're tied.

P. SPANGLER IN CHARGE

O. P. Marchert, who resided with his partner, Chris Rasmussen, at 1405 South San Fernando road, has disposed of his interest in the Los Feliz Auto Repair Shop, 415 West Los Feliz road, to Preston Spangler, who is now at work. Mr. Marchert has moved to Lancaster. Mr. Spangler, until recently, was employed as a mechanic at the Mare Island navy yard at Vallejo. He reports little activity in the Bay region.

A. H. MAYNE VISITS CITY

A. H. Mayne, manager of the Gateway Automotive company, 327 West Los Feliz road, was in Los Angeles yesterday afternoon on business.

B. V. BRASHER IN L. A.

B. V. Brasher, proprietor of the South Glendale Variety Store at 1413A South San Fernando road, was in Los Angeles yesterday afternoon.

SERIES OF DASHES TO BE HELD ON L. A. SPEEDWAY

Auto Races Short and Snappy
On April 2, With Best of
Them in Final Dash

By HOWARD M'GILLIS
Sporting Editor The Evening News.
A novel innovation in automobile
racing circles of the Pacific coast
will be introduced to Southern Cali-
fornia speed fans on Sunday, April
2, according to an announcement
made by officials of the Los Angeles
Speedway Association. The event,
which will be staged on the Beverly
Hills board oval, will consist of a
series of four twenty-mile dashes,
followed by a final spurt of fifty
miles for the various prizes, which
will aggregate an exceptionally at-
tractive purse.

The plan of conducting the second
big affair of the 1922 racing season
according to the "four heats" ar-
rangement has been adopted prin-
cipally for the sake of the specta-
tors who are usually prone to become
tired and restless while witnessing
a two-hour-and-a-half grind. The
coming event will be a combination
of thrills and "hair-raisers" from
start to finish, and the only specta-
tor who fails to get a "kick" out
of the afternoon's program will be
a deaf mute with impaired vision.
In other words, there promises to
be "something doing" at all times.

Fastest Ones to Clash
Each of the four preliminaries,
and also the final dash, will contain
a crowded list of entrants, as but one
driver will be eliminated in each
heat. The schedule, according to its
present arrangement, stipulates that
the rivals in the final race will con-
sist of the first and second place win-
ners in all of the heats and the third
place winner in the fourth race
only.

In this way nothing but the fast-
est creations on the track will com-
pete for the purses, the inferior ma-
chines to be eliminated.

Among the galaxy of stars who
have already signified their inten-
tions of entering the affair are Tom-
my Milton, winner of the Washing-
ton's birthday race; Jimmy Murphy,
last year's French Grand Prix victor;
Pietro Bordino, Italian "wild man"
of the speedway; De Palma, Hearne
Saries, Hartz, De Paola and several
others.

Coast Is Racing Center
With the recent announcement
that R. C. Durant, well known auto-
mobile magnate and president of the
Durant Motor Company of Oakland,
has organized a group of transbay
sportsmen for the purpose of build-
ing a speedway in that city, the Pa-
cific coast can now be recognized as
"the racing center of the United
States." The proposed bowl will be
similar to the Beverly Hills struc-
ture and will be erected under the
direction of Jack Prince, who is gen-
erally considered as being the coun-
try's leading board track builder. It
is planned to have the new stadium
under construction within the next
few months.

Durant, who is a member of the
board of directors of the Los An-
geles Speedway Association, is the
owner and designer of the Durant
Special car in which Tommy Milton
copped the recent 250-mile local
championship. He has announced
that two similar racing machines will
be placed in competition in the near
future. Durant, besides being a race
promoter, was formerly interested in
the more active department of the
sport—that of driving. He appeared
in several of the nation's leading
speed classics several years ago, and
was usually a close contender.

Attractive Sign for Dynamo Club Placed

The members of the Dynamo
Club, of which Earl P. Hammond is
president, have erected a very at-
tractive gold and black sign at the
southeast corner of Broadway and
Jackson street indicating the way to
the club, which meets every Sunday
morning at 10 o'clock in the Dy-
namo tower of the Presbyterian
church. An invitation has been ex-
tended to all young men to join this
organization.

News Notes From Southern Glendale (Continued from Page 5)

Realty Activity in South's Section Good

T. W. Curl, of the Guthrie Realty
company at Los Feliz and Brand, is
very enthusiastic over the way that
property in the Southern Gateway is
moving. Mr. Curl states that buyers
have been taking advantage of the
low prices for both business and resi-
dence property and that the rapid ad-
vances are attracting others. Mr.
Curl looks for a heavy increase in
property values in that section very
soon, owing to the great building ac-
tivity which is helped along by lower
car rates.

Beatrice Bushnell's Hat Display Pleases

One of the most unique millinery
establishments in Glendale is the
Bushnell shop at 1510 South Brand,
where Beatrice Bushnell features a
charming variety of spring hats in
all the new spring shapes and trim-
mings.

"The reason prices are not high in
my shop," states Miss Bushnell, "is
because I have very little expense and
business is very good. I find that
many thrifty housewives are taking
advantage of my offer to remodel
their hats."

Herman Schwilke Buys J. S. Gann's Market

Herman Schwilke has purchased
the market formerly owned by J. S.
Gann at 1263 South Brand. Mr.
Schwilke will make improvements in
the market and will extend the line
of meats carried. Special attention
will be given to poultry dressed to
order. Mr. Schwilke, better known
as "Herman," has been connected
with the Little Premium Market,
where he made many friends by his
cheerful service.

WESLEY BULLIS BETTER

"I'll sure be glad to get back to
work again," remarked Wesley
Bullis of 1325 South Central avenue
yesterday. "A fellow hates to loaf
around!" Mr. Bullis, who is an in-
spector of the local street depart-
ment, has recovered nicely from a
severe attack of influenza which has
kept him in enforced idleness for a
number of weeks. His physician has
given him permission to work next
week.

GETS PHONE, ALSO NUMBER

"Well, we've got our telephone in
at last, after waiting for it two
birthdays—almost," exclaimed H. E.
Stull of 1420 South San Fernando
road yesterday afternoon. "The
number? Oh, yes, that's 1949-J."
Mr. Stull says now he says now he
phone Montrose to warn the "Jacks"
whenever his brother-in-law, George
Sauer, takes a notion to go rabbit
hunting in the hills.

ON TRIP TO SEE SEA WAVES

Mr. and Mrs. C. M. Meech of 816
South Glendale avenue, Mrs. Eugene
Harmon and Mrs. John Harmon of
Southern Glendale motored to "the
beaches" Sunday. Mr. Meech is con-
nected with Tropic Garage at 410
West Los Feliz road. His partner,
J. E. Daugherty and wife of 756
South San Fernando road motored to
Venice.

CALLS FOR EASTER GOODS

"Indications for Easter business
are very good," declared Mrs.
Azathia LaCom of Laura's Chocolate
Shop, 1519 South San Fernando
road, yesterday afternoon. She says
this confectionery store has had calls
right along for Easter candies for
some time. A number of orders have
been received for special candy eggs.

BUT WILL THEY BITE?

Found—A person who doesn't like
this weather! It's W. E. Anderson,
proprietor of the automobile service
station on the northwest corner of
San Fernando and Los Feliz road.
He says that it is too tempting to
encourage a chap to drop work and
go fishing.

VISITORS AT LA CRESCENTA

George Bentley, secretary and
treasurer of the Bentley-Schoeneman
Lumber company, 460 West Los
Feliz road, and Harry E. Maxwell,
manager of its roofing department,
were in La Crescenta yesterday on
business.

THEY DAZZLE ONE'S EYES

If his awning doesn't come soon
all those who pass his store at 1522
South San Fernando road will be
blinded by the glistening of his win-
dow display of jewelry in the Cal-
ifornia sun, according to H. G. Ross.

GEORGE L. McLEAN IN CITY

George L. McLean of the Triangle
Garage, 1526 South San Fernando
road, was in Los Angeles on business
yesterday.

J. L. ANDREWS VISITS L. A.

J. L. Andrews, proprietor of the
Glendale Grill at 1413 South San
Fernando road, was in the city on
business yesterday.

PLANS TRIP TO BAY CITY

George E. Schram of 1224 South
San Fernando road expects to "fly
the Owl" to San Francisco and back
this week.

LOCALS BEATEN BY HUNTINGTON PARK, SCORE 28 TO 12

High School's Casaba Tossers
Team Loses Chance to Play
for State Championship

(Continued from Page 1)
The Huntington Park squad started
out like a house afire, and before the
Glendale players were aware of the
fact they had amassed a lead that
was impossible to be overcome. So
confident was their coach that an en-
tire new team was sent on the floor
during the last half of the final
session.

Local Stars Shine
Butts, Fruhling and Cline were the
individual stars for Glendale, their
playing from the start being far be-
yond par. Particularly, this may be
said of Fruhling and Cline, whose
brilliant work in holding down the
guard positions forced the opposing
forwards to resort to long shots
throughout most of the game.

Boyd, forward, was easily the out-
standing star for the winners, he
accounting for ten points besides a
leading factor in their almost per-
fectly effected team work. Freize,
center, and Bailey, guard, also dis-
played rare form. The lineup:
Glendale— Position —H. Park
Colburn —F— —Reise
Butts —F— —Boyd
Aageson —C— —Freize
Cline —G— —Bailey
Fruhling —G— —Skelton

'Hello Bill,' Musical Farce, Glendale Tonight

"Hello Bill," one of the most suc-
cessful musical farce comedies, has
been made into an hour tabloid by
"Our Players," a company of genuine
artists, and will be presented at the
Glendale Theatre tonight. Herbert
Bethew, eminent New York producer,
heads the company, which will fur-
nish Tuesday night attractions in ad-
dition to the film program.

There is a deep drama, love inter-
est and character analysis in "Shat-
tered Dreams," the Universal special
attraction starring Miss du Pont, at
the Glendale Theatre. It is based on
a widely read novel of Paris by
Maude Annesley, "Wind Along the
Waste."

Paris in all its glory. Paris in all
its sordidness—the Paris that you sel-
dom see accurately visualized on the
screen—is in "Shattered Dreams."
Miss du Pont enacts the role of a
beautiful sculptress who is looking
for a man of the truest Apache type
to use as a model in making a statue.
And she finds him—but not under
very auspicious circumstances. He is
in her studio apartment in the Latin
quarter, gun in hand, prepared to rob
her in the dead of night. Even at that
she gets him for her model—having
a lot of nerve, a quick wit and a
snappy looking revolver. It's a situ-
ation with great suspense and almost
equal humor.

Mr. and Mrs. H. Paine Leave on Auto Trip

Mr. and Mrs. Herman Paine of 339
North Maryland avenue left this
morning on a three weeks' automo-
bile trip through the northern part
of the state, going as far as Oroville.
They will go the inland route and
will visit Fresno, Visalia, San Fran-
cisco, Oakland and other cities, re-
turning by the coast route.

Judge Herman Breidt Honor Guest at Dinner

Mrs. J. S. Knox of 435 South Cen-
tral avenue spent the week-end at
Tujunga with her husband, who has
been spending the past two weeks
on his ranch "Rockwall Manor."
While there they attended "An
Evening With the Irish," given Fri-
day, March 17, by the Tujunga
Chamber of Commerce, of which Mr.
Knox is vice president.

Mr. and Mrs. Knox were also en-
tertained at a dinner party Sunday
which was given as a farewell to
Judge Herman Breidt, president of
the Tujunga Chamber of Commerce
and who is leaving soon on a busi-
ness trip to Chicago.

Those present at this dinner party
included Judge Breidt, Hilmer
Breidt, Mrs. Bertha Breidt and Miss
Elsa Breidt of the California Acad-
emy of Music of Glendale, Mrs. C.
Simon of Glendale, Miss Mabell Graf
of Los Angeles and mother, Mrs.
Emelie Graf of Tujunga. Mr. and
Mrs. Edward Darlington of Tujunga

'Bugland Revel' Will Be Held on March 24

Reed Williams of 1221 North
Brand boulevard, editor, and C. G.
Putnam of 424 North Glendale ave-
nue, art editor of "The Thumb Tack,"
are taking an active interest in the
"Bugland Revel," which will be held
at the Alexandria hotel, Friday,
March 24, under the auspices of the
commercial artists.

The costumes for the affair will be
designed to represent some crawling,
hopping or flying inhabitants of
fairyland. The ball room now is in
process of transformation, enormous
toadstools sprouting from the floor
and reaching to the ceiling. Great
panels also are being painted for the
walls, depicting bug life in bugland.

The plan of decoration is in charge
of Annita Delano, art instructor for
the southern branch of the state uni-
versity. The Ruth Dehne school will
furnish a group of classic dancers for
the occasion. Dancing will be the
feature of the evening.

ings in another enterprise of which

**W. H. ARMSTRONG
SAYS:**

There are several things to consider when buying a lot:

Beauty of View: Mountain View tract is admirably situated to command an unobstructed
view of the Verdugo Mountains and the San Fernando Valley.

Accessibility: Mountain View is adjacent to the San Fernando Road, a direct artery to
Los Angeles, and a choice of transportation is offered, either by motor, bus or Burbank
P. E. line to Los Angeles.

Investment: Some lots are suitable for your own particular home, but are not particularly
desirable, to most people, making them easy to sell. Mountain View lots are especially
well located and have a decided resale value, and make an excellent investment, as their
value will steadily increase.

Walking Distance of Industrial Section: Mountain View tract is within walking distance
of the greatest industrial section in Southern California.

This subdivision includes all street work, water, light, gas, and is situated on the San Fer-
nando Road, near Glendale City Limits, the tract office being nearly opposite the Burbank
Milling Company.

W. H. ARMSTRONG, Mgr.
